TRUE PERFORMANCE. TRUE PROTECTION.

PROJECT NAME:

Fox Valley Mall

LOCATION:

Aurora, IL

AUTHORIZED DEALER:

Road Fabrics, Inc.

INSTALLED BY:

Road Fabrics, Inc.

PAVING CONTRACTOR:

Geneva Construction

AREA INSTALLED:

31,000 sq. yds.

EXISTING PAVEMENT TYPE:

Asphalt

INSTALLATION DATE:

August 2005

TRUPAVE® ENGINEERED PAVING PROJECT PROFILE

JC Penny and Marshall Fields parking lots in the Fox Valley Mall had numerous transverse and longitudinal cracking. The malls engineers chose TruPave engineered paving mat because of TruPaves ability to further prolong the reflective cracking from appearing through the overlay and its ability to create a moisture barrier. TruPave was installed on a leveling course and topped by a 2" surface course.
