

Design Workshop

LEARN & RECEIVE PDH CREDITS

Date / Time:

On Thursday, December 15, 2022
From 7:00 a.m. - 12:30 p.m.

Location:

Double Tree Suites &
Conference Center
2111 Butterfield Road
Downers Grove, IL. 60515

Event Information:

Tensor International Corporation is pleased to host a FREE workshop on working with Tensor InterAx Geogrid in paved & unpaved applications including subgrade stabilization & pavement optimization. Learn about how InterAx Geogrid can save you a significant amount of time & money & learn where it is being used locally. An additional section of the workshop will cover our other products at Road Fabrics, Inc.
